Reference: 30 Day Post-General Report (10/15/98-11/23/98)

Dear Mr. de Waal:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

- The beginning cash balance of this report should equal the ending balance of your Amended 12 Day Pre-General Report dated 1/13/99. Please clarify this discrepancy and amend any subsequent report(s) that may be affected by this correction.
- Your calculations for Line 8 appear to be incorrect. Cash-on-hand at the close of the current reporting period should always equal the closing calendar year-to-date cash-on-hand amount. Please provide the corrected total on the Summary Page.
- The totals listed on Lines 11(a)(i), 11(a)(ii), 23 and 29 Column B of the Detailed Summary Page appears to be incorrect. Please be advised that you should add the "Calendar Year-to-Date" total from your previous report to the current "Total This Period" figure from Column A to derive the correct Column B total. Please amend your report and any subsequent reports that may be affected by this correction.
- Schedule B supporting Line 23 of your report discloses contributions to Federal candidates that are designated to both primary and general elections. Please note that contributions may not be designated for an election which has already occurred unless the funds are to be used to reduce a candidate committees debts incurred during that election campaign. Please amend your report to correct this discrepancy.
